

UPDATE

SUPPORTING SENIORS IN SUNDRE

More Than Just Programs - A Lifeline to Community

With a higher-than-average senior population, Sundre thrives when its older residents stay active, engaged, and supported. At Greenwood Neighbourhood Place, we provide essential guidance, connection, and community for our seniors.

Navigating government benefits can be overwhelming, but we're here to help—whether it's pensions, health benefits, or other supports. As one senior shared, *"Always helpful, very knowledgeable, and the respect and willing support they give is very much appreciated. Thanks for all you do and just for being yourselves."*

Beyond practical support, we foster connection. A newcomer joined our free art class for one session and quickly formed friendships. Those new connections led to a group lunch after class—an example of how small moments can spark lasting bonds. Programs like field trips, cooking classes, and our Friendly Callers initiative ensure no one feels alone. Events like Seniors Week bring the community together with laughter, entertainment, and shared joy.

Every brushstroke, shared meal, and moment of support strengthens a network of care. For many seniors, this isn't just a program—it's a lifeline to independence and belonging.

Get Involved

You can make a difference. Whether through volunteering, donating, or spreading the word, your support helps seniors in Sundre thrive. Contact us today to learn how.

Strong communities care about their seniors!

"A caring organization strengthens the community by supporting and empowering those it serves."

DID YOU KNOW

A charitable donation tax receipt can generate a
valuable tax credit?

Both the federal and provincial governments offer
a tax credit of over 20% for donations over \$200.
Consult a tax professional for specific details of
how this might assist you.

All proceeds will go to Greenwood
Neighbourhood Place to continue providing
programs and services in the community.
